WELCOME TO JUMPERS AND JAZZ IN JULY FESTIVAL, A WONDERFUL OPPORTUNITY...

to immerse yourself in Warwick's local culture and community, and hopefully explore some of the superb tourism experiences on offer in the Southern Queensland Country Region.

The impacts of the pandemic have provided incredible challenges, but thanks to the hard work of Queenslanders our state was one of the first to put in place a COVID Safe Event Framework which paved the way for events such as this one to take place.

The Queensland Government is proud to support Jumpers and Jazz in July Festival, through Tourism and Events Queensland's Destination

Events Program and it is a feature on our It's Live! in Queensland events calendar. Events are an important part of our state's economic recovery from the pandemic because they attract visitors to the region which stimulates the local economy and supports local jobs. Events are also an important opportunity for communities, friends, families and visitors to come together, creating community pride and reconnecting us.

Congratulations to the event organisers and all those involved in organising this event – may it be a successful one.

If you are visiting for the event, I encourage you to make some time to explore the diverse tourism experiences on offer in this beautiful region.

The Hon. Stirling Hinchliffe MP,
Minister for Tourism Industry
Development and Innovation
and Minister for Sport.

WELCOME TO WARWICK'S FAVOURITE
WINTER EVENT, the Jumpers and Jazz
in July Festival. Held annually, the festival
celebrates everything that makes Southern
Downs a great place to live, work, play and
stay!

Margaret Mead the famous anthropologist said, "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has."

I am always impressed by the creativity within our community and how we all pull the threads in the same direction to produce this wonderful event. We missed out on this particular festival last year, and this year, together with the dedicated group of volunteers, we all look forward to showcasing our region to visitors.

Jumpers and Jazz in July has grown into one of Queensland's premier festivals and is now woven into the hearts of visitors and locals alike. It offers an exciting program of events including live music, yarnbombing, tree jumpers, pop-up shops, artisan markets, bonfires and culinary delights.

I invite you to get out to as many events as you can during the 10-day festival and experience our warm friendly country hospitality. And if you like food as I do, don't miss the program of key events featuring artisan markets that are bursting with regional flavours and wonderful wine. Experience a little bit of God's Country during Jumpers and Jazz in July!

Mayor Vic Pennisi,
Southern Downs Regional Council
